Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Georgia Chapter of the American College of Physicians, being held October 21–23, 2016, at Chateau Elan in Braselton.

This is a place for you to recharge, rewind, reflect, and reconnect with your peers, chapter leaders, and great speakers. Make your connection to the Georgia Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits and MOC Points this conference is about making personal connections and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at www.gaacp.org.

I look forward to seeing you in Braselton.

Sincerely,

Walter Moore, MD, MACP
ACP Governor, Georgia Chapter

Meeting Information

Resident/Fellow Members’ and Medical Students’ Activities

Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Student Members will be presented at the meeting. Winners will receive cash prizes and be eligible for entrance into the national competition held during Internal Medicine 2017. Contact Jessica Carson at jcarson@gaacp.org for information about entering the Resident/Fellow Members’ Competition. Deadline for submissions is July 24, 2016. Resident/Fellow Members and Medical Student Members are invited to attend the reception on Friday, October 21, 2016 following their meetings and poster competition.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

• Apply updated knowledge of internal medicine to clinical ambulatory and hospital practice.
• Improve clinical practice by incorporating major new developments in pain management/opioid use, evidence-based antibiotics, HIV challenges in Treatment, increasing adult immunizations, and noninvasive cardiac imaging.
• Understand recent advances in oncology-targeted gene therapy, AFIB, and valvular disease

New: Faculty Development Session

This three hour workshop will address both communication and teaching/evaluation skills useful for those involved in education. This pre-course is designed with both junior faculty and community faculty members in mind.

• Develop clear educational goals and objectives for a planned educational experience.
• Demonstrate how to give effective feedback.
• Review how to set an educational agenda and articulate learner expectations.
• Practice evidence-based teaching methods to increase teaching effectiveness and efficiency in busy clinical settings.
• Review the concepts behind the High Value Care curriculum and locate elements of the program that may be useful to planned educational activities.
• Categorize learner behaviors into reporter, interpreter, manager, and educator roles.

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 16.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
Maintenance of Certification

Pre-course: ABIM SEP Modules Session for Maintenance of Certification

SEP Faculty

Steven Carpenter, MD, FACP, MACP, Academic Chair, Department of Internal Medicine, Mercer University School of Medicine, Macon

Timothy P. Connelly, MD, FACP, Associate Program Director, Internal Medicine Residency Program, Assistant Professor, Mercer University School of Medicine, Savannah, GA

N. Wilson Holland, MD, FACP, AGSF, Associate Chief of Staff for Education, Atlanta Veterans Affairs Medical Center, Associate Professor of Medicine, Emory University School of Medicine, Atlanta

SEP Learning Objectives

• Participate in group discussion to determine answers to multiple-choice questions.
• Apply updated knowledge of internal medicine to clinical practice.
• Understand recent advances in internal medicine.
• Complete an ABIM SEP Module toward partial fulfillment of the ABIM’s Maintenance of Certification.

SEP Note

The Georgia Chapter will provide you with a learner’s copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM’s Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting www.abim.org/online. After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM’s Maintenance of Certification program, visit www.abim.org/moc or call ABIM at 800-441-ABIM (2246).

Each module is eligible for 10 MOC points through ABIM.

Who Should Attend the SEP Pre-Course?

• Internists participating in the ABIM Maintenance of Certification Program
• General internists
• Family practitioners
• Subspecialty physicians

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.
