

M. John Steier

- Mr. Steier is the Assistant Vice President of Commercial Real Estate at Great Western Bank. He has extensive experience in business management, strategic planning and organizational finance. He set a goal for himself in 2016 to become more involved in the Omaha community and has already made contributions through active service including working on the UCP of Nebraska Golf committee and representing us on the Community Health Charities Board. Mr. Steier is the father of young children and appreciates United Cerebral Palsy of Nebraska's focus on children and families.

Tori Sorensen

- Ms. Sorensen received her Doctorate in Physical Therapy from UNMC in 2004. She pursued her passion and worked with the pediatric population for several years. She is currently employed with Key Complete Therapies. She describes herself as a fierce advocate for independence, patient centered care, access to community resources, and participation in recreation opportunities. Ms. Sorensen chartered Nebraska's first AMBUCS and helped give away approximately 100 adapted tricycles to children with disabilities in Nebraska and Iowa. Ms. Sorensen is the mother of four children with special needs.

Timothy Mollak

- Mr. Mollak is a Financial Planner at Illuminate Financial Group, he builds comprehensive financial plans for individuals, families and business owners. He has a special interest in preparing financial plans for families that have a member with special needs, because he understands how complex their lives may be. Mr. Mollak's sister is his inspiration for giving back to the community.
