Keeping the Promise

Colleagues,

Just a few years ago, I was given the task to develop a partner organization to SMUSD that would expand the work of our District's PACE Promise by providing equitable higher education pathways for our students. Today, the San Marcos Promise is a fully functioning non-profit educational foundation serving students via LEAP enrichment programs, college tours, Future Center, and tuition assistance programs.

As a charitable organization, we rely on donations from committed individuals like you to continue this groundbreaking work. I ask that you join me in making a monthly contribution to assist us in supporting over 350 students currently pursuing their education as PACE Promise & Palomar Promise Scholars and over 20,000 SMUSD students benefiting from our college tours and enrichment efforts. Even \$1/month will help us demonstrate the power of our collective impact, opening doors for kids that may have never existed.

My goal is for The San Marcos Promise to serve as a bridge between our district and the business community, providing opportunities for students to explore careers and gain relevant experience as they prepare to venture into the world.

Benefits of Payroll Contributions:

- Signature Promise Lapel Pin for Employee Lanyard
- VIP Access to TSMP Events & Cocktail Parties
- Tax deductible receipt & personalized "thank you" from scholars
- \$20+/month = Perks for Promise
 - o Reusable Mug + Unlimited Coffee & Tea @ the Future Center

"The San Marcos Promise will not only provide scholarships, but it will also elevate educational expectations, strengthen support & inspire each of our students to follow their dreams."

Kevin Holt, Ed. D
Former SMUSD Superintendent

Respectfully,

Herbie Smith
Executive Director, The San Marcos Promise
