SMV Spirit Wear Highlights 2016-2017 School Year

- All orders will be taken [online](#) this year through experienced spirit wear retailer Burghardt's Sporting Goods.
- The [SMV Spirit Wear](#) site is now open and will be available through September 8th.
- The orders will be delivered to school around September 27th and distributed by your child's homeroom teacher.
- The sweatshirt will be the only item that is "Uniform Approved." The other items are OK for Spirit Wear days.
- All orders—no matter how big or small—will incur the same service charge of \$3/order.
- Look for us at Back to School Night where we plan to have samples for sizing and iPads available for ordering.
- Aside from the fall sale, we will plan a spring sale as well. Use this fall sale to stock up for fall or winter birthdays or for Christmas!
- Website Note: They did not have an image available of the Youth track jacket, so it's marketed with the men's size on the website. The youth jacket slightly different from the men's design. **NEW (and exciting)** this year is the option to personalize your Spirit Wear. For the track jacket only, you can choose to have your child's name or family name embroidered across the back of the collar.
- Questions? Please contact Katie Carnell @ kasdorfk@yahoo.com or 414-559-2634. A member of the Spirit Wear team will respond promptly.
