City of Brookfield Parks, Recreation & Forestry Department

Youth Sports Registration & Team Formation Policy

ELIGIBILITY

The following residency/eligibility policy, formulated and adopted by the Parks and Recreation Commission, is based upon the rationale that recreation programs/activities and supporting facilities should be provided primarily to meet the needs and interests of the residents whose tax dollars provide the foundation for the delivery of these services.

RESIDENTS living within the boundaries of the City of Brookfield and/or the Elmbrook School District are eligible for all City sponsored programs and activities. Elmbrook School District residents who do not reside within the City of Brookfield (i.e. Elm Grove, and some limited areas of New Berlin and the Town of Brookfield) will be required to pay 1 ½ the registration fee charged to City of Brookfield residents.

NON-RESIDENTS MAY APPLY for participation in any youth sport league by submitting a registration form during the designated registration time frame. At the conclusion of registration period, Department staff will evaluate total enrollment and team/league formation status and determine if any non-residents can be added to the program. If added, they will be charged double the registration fee for residents. There is no guarantee of placement and **NO TEAMS/LEAGUES WILL BE ADDED OR EXPANDED TO ACCOMMODATE NON-RESIDENT PARTICIPATION.**

TEAM FORMATION

1. The first (K4, K5 T-Ball=9) (Baseball/Softball =15) players to register from a school will be assigned to that school's team.
2. If Brookfield Parks & Recreation determines that sufficient players register to form two teams from one school, two teams will be formed based on the order they registered. Example (1-14 on team A, 15-26 on team B).
3. Resident players registering after a school's limit has been reached will be assigned randomly to a team. The department will make an effort to keep players from the same school together if possible. This may require players from multiple schools to be placed together.
4. Staff will evaluate non-resident applications and place non-residents on teams if space is available. Players will be placed on a team based on the order that the applications were received. No new teams will be formed to accommodate non-residents.
5. Any registration received after the designated program deadline will be placed on a team if space is available.
6. Special requests for team placement or co-coaching cannot be honored.
