

Thank you everyone who helped make Back to School 2016 a huge success!

CCSC Christian Community Service Center

Program Summary

Christian Community Service Center (CCSC) is grateful to report that our 2016 Back To School program goal was achieved: 6,603 students enrolled in Pre-Kindergarten through Eighth Grade received new, grade-specific packages of school supplies and vouchers for new uniforms/shoes. Because of generous community support, volunteer involvement and dedicated committee leadership, these local students are better prepared for academic success. Thank you for your involvement!

2,416 of these children were assisted at our community event on August 5 and August 6.

- These students were pre-registered in April and May, and the program was offered to students living in 33 zip codes.
 - The majority of registered clients reside in Gulfton (77081), Greater Fifth Ward (77020/77026), the Galleria area (77056/77057) and the Sharpstown area (77036/77074).
 - 50% were female; 50% male.
 - 95% of these students were Hispanic; 2% African American; and the remaining 3% of various ethnicities.
- Over 8,300 donated "bonus items" including gently-used clothing, shoes, backpacks and accessories were made available to students and family members.
- 92% of clients who pre-registered attended the event; walk-in clients were also served.
- More than 975 volunteers contributed approximately 3,300 hours to Back To School 2016, from the registration phase through event clean up!

4,187 of these children were served directly at their schools or organizations. CCSC created strategic partnerships to support students in targeted areas:
