SOUTH RIDGE

LUXURY APARTMENTS

We are proud to introduce this week's featured member – South Ridge Apartments!

The South Ridge community has a mix of studios to 3-bedrooms, totaling 392 units and was built in 2016. South Ridge offers an array of amenities that completes the residents living experience.

The design of the buildings not only artistically compliments the Dakota architecture, but promotes connectivity amongst residents through pedestrian channels and a convenient clubhouse, while encouraging social gatherings through the common grounds placed throughout the property.

South Ridge has many Luxury features you don't find in most rental properties.

They offer Underground Heated Garage Space, Tanning Beds, A Gorgeous Clubhouse where we have hosted Community Banquets in along with Bridal showers and birthday parties and a 24/7 fitness room. They have elevators in our 4 story buildings, elevated ceiling heights, along with larger and wider garages, and have several pet stations around the property.

Being active in the community is very important to the South Ridge staff. They have hosted several events on the property for the community of Williston. Many to raise money for charities close to home. For example, the "Bike for a Cause Charity Event" to raise money for CHI Hospital to purchase new medical equipment and fundraisers for the Mondak Animal Rescue just to list a few. South Ridge believes in giving back.
