We are proud to introduce this week's featured member - Williston Brewing Company!

The Williston Brewing Company opened in September 2013 attached to the El Rancho Hotel.

The 11,900-square-foot restaurant and bar features a state-of-the-art audiovisual system; an observation window in the tap room; a 65-foot redwood bar and the Buffalo Room, a high-end dining room with a wine cellar enclosed in glass; an open kitchen; four natural-gas fireplaces; and a 4,000-beer bottle light installation above the bar.

The menu features burgers, flatbread pizza, steak, pasta, seafood, and great appetizers and desserts - making the WBC a great place to catch a sporting event on their wall of flat screens or enjoy a date night out!
