

Won't you be my  
Early Care & Education  
Supervisor?

WITH LOVE FROM THE SFCCPA COMMUNITY

## Send a Valentine to your supervisor today!

We need our SF Supervisors to recognize early childhood educator compensation as our community's priority. Write in your supervisor's name. Add a message. And be sure to *sign with your name, address, and zip code!*

Use a message below, or create your own to complete the sentence on the card. Please support my efforts by:

- Working to increase funding for early care and education, including educator wages!
- Allowing funds that support early childhood educators to grow — we're building the future! Don't cap funds set aside for ECE!

Attend the ECE Issues Event, Feb. 15, SF Main Library, Latino/Hispanic Rooms, 9 AM!
