

NEXT GENERATION SCIENCE STANDARDS

Training for
Environmental
Educators

Friday, Jan. 20 | 12:30pm - 4:30pm

Join us 11:30am - 12:30pm for a networking lunch

Mendocino County Office of Education

River Room, 2240 Old River Rd., Ukiah

This half-day workshop is designed to:

- Give a brief overview of NGSS
- Show what NGSS lessons can look like in both the formal and non-formal arenas
- Complementing approaches for supporting NGSS and exploring different pathways for your programs
- Provide a means of analyzing the 3-dimensions of EE learning
- Acquire the tools and resources needed to support your transition to the NGSS

This training will be facilitated by Environmental Education Consultant, Laura Powell, who has worked extensively building connections between formal and non-formal educators, through coordination and trainings in standards-based environmental education. She will be joined by Allison Poklemba, North Coast CREEC Coordinator, and Theresa House of the Mendocino County Office of Education.

To register, contact Allison: creec@humboldt.edu
Registration fee of \$20 includes lunch
Deadline to register: Jan. 9
