

# TAKE A CHILD OUTSIDE DAY

## & Environmental Education Teacher Resource Fair

Saturday, March 18  
11 a.m. - 3 p.m.

Arcata Marsh Interpretive Center  
569 South G Street

### For Families:

**Activities located all along 0.6 mile loop**

- Meet animals (*Lizards, snakes, and more!*)
- Hands-on nature crafts (*Try the drawing machine*)
- Naturalist-led programs (*Test water quality*)
- Outdoor exploration (*Silent walk to bird roost*)
- And much more!

### For Teachers:

**Find out about local environmental  
education resources for your students**

- Sample activities along the Log Pond Loop Trail
- Meet environmental education providers in the Interpretive Center (*Take a virtual field trip to a California State Park!*)
- Learn about opportunities for field trips (and funding!), in-class presentations, environment-themed curriculum and more!

### Programs By:

Nature Joe's, Redwood National and State Parks, Sequoia Park Zoo, Friends of the Dunes, Humboldt Bay National Wildlife Refuge, Friends of the Arcata Marsh, Schatz Energy Research Center, HSU Natural History Museum, CA State Parks, SCRAP Humboldt, Watershed Stewards Program, Redwood EdVentures, HSU Aquatics Center, and Redwood Chapter of Environmental Educators and Interpreters
