- ▶ Deepen your knowledge of the NGSS and how to incorporate 3-dimensional lessons into your day.
- ▶ Attend 5E workshops in the morning with your grade band cohort (K/1, 2/3, 4/5, MS) where your teacher leaders will model 5E lessons and coach you through making your own in specific grade level groups.
- ▶ Attend short courses in the afternoon to deepen your knowledge in a variety of current NGSS hot topics
- ▶ Become inspired by and meet new colleagues who you can network and troubleshoot with during the school year.
- ▶ Conclude the week by participating in a STEM event for local students in grades k-8 where you will get a chance to teach some of the STEM activities you learned in the institute. Participants may bring their own children too!
- ▶ Participate in 2 Saturday (8-12pm) follow-up sessions during the 2016-17 school year
