

# Nature Is Our Classroom: A NatureBridge Teacher Night

At NatureBridge, students learn science and deepen their connection to the natural world through guided hands-on exploration of natural ecosystems.

- Three- to five-day programs are available. NatureBridge provides lodging, meals, and science education.
- Six national park locations to choose from including: Santa Monica Mountains, Channel Islands, Yosemite, Golden Gate, Olympic, and Prince William Forest.
- All programs are customized to complement your classroom curriculum and support NGSS Practices.
- Need-based scholarships and other funding opportunities are available.
- NatureBridge is accepting reservations for the 2016–2017 school year.

*NatureBridge is a proud educational partner of the National Park Service*
