

**Asset Building: A Pathway
to Economic Self-Determination III
May 10 - 11, 2017
Albuquerque, NM**

CALL FOR PRESENTATIONS

HUD's Office of Native American Programs is pleased to announce, "Asset Building: A Pathway to Economic Self-Determination III" May 10-11, 2017 at the Isleta Resort, Albuquerque, New Mexico. The conference will focus on asset building innovations in Indian Country and strategies for advancing economic opportunity around people and place. There is no charge to attend.

Funders, research & policy institutes, tribal governments, and asset building experts are encouraged to share their expertise and best practices.

Sample topics include, but are not limited to:

- Youth Programs
- Home Ownership Initiatives
- Financial Empowerment
- Bank on Lending
- Small Business Initiatives
- Credit Building and Coaching
- Individual Development Accounts
- Higher Education
- Community Collaborations
- Tribal Assets
- Rental Readiness
- Land Buy Back
- Economic Development
- Policy Development
- Leadership
- Child savings accounts
- Children's Per Cap accounts
- Asset Preservation

PROPOSALS WILL BE ACCEPTED FOR:

1. **Presentations:** Team or individual proposals accepted. Presentations may focus on fundamental, intermediate, or advanced topics. Sessions are 60 minutes in length allowing for more in-depth presentation and Q&A.
2. **Panels:** Panel discussions will be considered. They may be organized and submitted as a group by a panel coordinator, or an individual may submit their particular viewpoint to become part of a panel.
3. **Research:** Sessions featuring current research on topics related to the topic are encouraged

PRESENTATION GUIDELINES

Power points, hands on learning, and panel discussion formats are acceptable. All presentations will be included in the Conference binder and posted online.
