Winter Break No Class/No Camp						
Each year we invite students, friends, and family to help us decorate the studio! It's fun for all ages and we'll have a job for everyone. Kids will be invited to decorate ornaments to put on our tree this year as well as make snowflake decorations!						
Each month we hold a Parents Night Out! This event means that parents can drop their kids off, FOR FREE, from 6-9pm. We will play all sorts of games! Each Parents Night Out event is themed, this event will be about the holidays!						
Many days thought the year, SMA runs camp days when Stillwater Public Schools are closed! This is a great benefit to parents who are working on these days. They can drop there kids with us starting at 7:30am and pick them up by 5:30pm. We'll be playing fun games all day in a safe place!						
We will be closed for Winter Break from Dec. 24th -31st. Rest up, enjoy your family time, and we'll see you next year!
