

GARIN HOOVER, BA, JD

**REALTOR/BROKER
HOOVER REALTY LLC**

Garin Hoover was born and raised in Ohio, but has also lived in Arizona and California. Mr. Hoover has a bachelor's degree in Business Administration from Baldwin Wallace University, and his law degree from Cleveland-Marshall College of law.

His work experience includes being a Credit Manager, a Stockholder Relations Analyst, a Tax Research Specialist, and an attorney practicing law in Cleveland, Ohio. He served as in-house counsel for a large corporation, also as an associate for a law firm before finally opening his own law practice.

Sick of the cold and snow, Mr. Hoover retired from the practice of law, moved to Florida and started a real estate brokerage firm named Hoover Realty. Mr. Hoover also is licensed to practice law in the State of Florida. Finally, he is a member of the Manatee County Republican Executive Committee and looks forward to this discussion.
