

CANDACE LUTHER
CANDIDATE
DISTRICT 6 COUNTY COMMISSION

Candace has lived in the Sarasota/Bradenton area her entire life. She is a registered dental hygienist with 32 years of experience. She is a citizen activist, an environmentalist, and an animal advocate. She has two retired racing greyhounds and a senior mini aussie foster and has volunteered with and fostered for several different local animal rescue groups.

Her interest in Manatee County Government began with situations involving animals and expanded into environmental and civil rights issues. Candace has observed local government for about five years and has participated in some judicial hearings as well as presented citizen comments for future agenda items.

She would like the opportunity to be the voice of citizens to ensure that all citizens are being treated fairly and equally and to make sure that all of their concerns are addressed.
