

Kevin Morris
Science & Technology Officer
Peace River Manasota Regional Water Supply Authority

Kevin has worked for the Peace River Manasota Regional Water Supply Authority for 18 years where he is currently the Science & Technology Officer. He has BS and MS degrees in Environmental Engineering from the University of Central Florida, is a licensed Professional Engineer and is Board-Certified as an Environmental Engineer.

Kevin has an MBA from Florida State University and certifications as a Systems Engineering Professional, Public Procurement Officer and Government Finance Manager. He also has credentials in the LEED, Envision and Six Sigma programs. He has been involved with over \$300 million in public water supply infrastructure projects within this region.

Kevin and his family have lived in Parrish since 1999, and he is an active high school mentor.
