Constellation Energy Services of New York, Inc. ("Constellation") has been working with the Genesee County Chamber of Commerce and its members for many years. During that time, Constellation has provided the highest levels of customer service, competitive energy pricing and the most flexible energy product solutions that Southern Tier companies have needed to achieve their energy purchasing objectives. Constellation has an office in Buffalo, NY and its staff is all longtime residents of the region. When it comes to an energy organization that has been in the market for many years focusing on the needs of the business community, there is no company that compares to Constellation.

Advantages of Participating

- Competitive pricing, and a special discount for Genesee County Chamber of Commerce members.
- Constellation has a strong energy background, with market expertise in upstate New York.
- Constellation is endorsed by over 25 chambers of commerce and associations statewide.
- Your choice of fixed or variable electric supply programs.

Constellation is a subsidiary of Exelon which now serves 2.5 million customers, including over two-thirds of the Fortune 100. Businesses throughout upstate New York have trusted us to supply their electricity since 1997. We offer a variety of pricing options, market expertise, and the unmatched service our customers have come to depend on.
