

## **MAY NEWSLETTER - 2017**

### **PRESIDENT'S MESSAGE**

Being a member of the Genesee County Chamber of Commerce is one of the best investments your business can make. There are so many benefits – free business counseling and financial assistance, networking and professional development opportunities, exclusive discounts for your business and your employees and a strong, unified voice to represent your interests in Albany. We can even save your business money on electricity and natural gas costs!

Here's a gentle reminder to make sure you have your Chamber dues paid this month. Dues must be paid by the end of May to ensure your listing will be included in the 2017-18 Membership Directory. The Membership Directory is one of the most valuable and prestigious benefits of being a Chamber member and we wouldn't want to see your business left out!

Chamber membership also gives you the benefit of belonging to an organization dedicated to business success that will help improve the quality of life for everyone in Genesee County. The Genesee County Chamber of Commerce – we mean business!

Contact the Chamber office at 343-7440 to learn more about how your Chamber membership can be your best business partner!

Have a great month!

Sincerely,

*Tom Turnbull*
