## AARON KNOLL

NIS is proud to honor Aaron Knoll at our 2017 Annual Golf Outing. Aaron has been an active and dedicated member of the NIS community for nearly three years, beginning when his son Zachary began to attend NIS over two years ago. Aaron graciously provided creative ideas on improving services provided to our students and helped develop programs, including but not limited to those within Aaron's professional area of expertise, information technology and social media. Aaron served not only as an amazing advocate for his son, but for all the students and families at NIS. He served as the voice of the school's families, and offered constructive feedback and solutions for improvements with grace and professionalism. He made our staff feel appreciated on a daily basis and, through his company empowry inc., offered professional website and invitation design services as donations to our school. His lovely wife, Denise, also put in countless hours securing raffle prize donations for our events. Zachary graduated from our program last year, continues to make us all proud, and Aaron still manages to find the time and energy to support NIS and our mission.

## THE NEW INTERDISCIPLINARY SCHOOL

The New Interdisciplinary School, founded in 1976, is a non-profit, innovative early childhood learning center that respects the unique needs of all children and their families. Our commitment is to provide therapeutic and educational services in a nurturing environment with the highest standard of expertise. Tuition and transportation for children with special needs are funded through the NYS Department of Education and Suffolk County Department of Health; however, we rely on donations to enhance our programs and services. To learn more, visit our website at [www.niskids.org](http://www.niskids.org) and "like" us on Facebook at [www.facebook.com/NewInterdisciplinarySchool](http://www.facebook.com/NewInterdisciplinarySchool)

### For more information about this event call:

Susan Cali, NIS Director of Development  
631-924-5583 ext. 128 or
