

INTERESTED?

Are you looking for practical horticulture information from industry experts to further your education and fulfill credit requirements? OR Are you interested in preparing for and becoming a Certified Nursery Landscape Professional (CNLP)?

CNLP PROGRAM

The NYS CNLP Program is sponsored by the New York State Nursery & Landscape Association, Inc. It is intended to raise and improve the professional standards of the nursery, landscape and garden center industries by giving special recognition to individuals who have demonstrated a high level of competence in the principles and practices of the industry. CNLP status is earned through practical experience in the industry, passing a written test that reviews the basics of our industry and making a commitment to continuing education.

For CNLP information, visit www.nysnla.com

OBJECTIVES

One objective is to provide education for horticultural industry professionals. This includes arborists, turf professionals, landscape gardeners and contractors, parks and institutional grounds employees and retail garden center employees. It's also designed as a review session to prepare those interested in taking the exam to attain status as a Certified Nursery Landscape Professional (CNLP).

WHO IS ELIGIBLE FOR CNLP?

Any individual who meets the following requirements is eligible to apply for CNLP status:

- Is a graduate from a recognized 2 or 4 year college with a degree in the horticulture field
- OR**
- Has completed 3 years of experience in the horticultural industry.
