

DESIGN/BUILD ENVIRONMENTAL ENHANCEMENT AWARDS 2018-2019

CALL FOR ENTRIES

The purpose of the Long Island Nursery & Landscape Association awards program is to acknowledge excellence in landscape design and construction, to inspire creativity, to recognize quality, to educate our membership, to improve LINLA's reputation, and to foster goodwill through friendly competition.

ELIGIBILITY

- This program is open to LINLA members in good standing.
- This program is intended for design/build projects. Projects are eligible where the applicant(s) has performed substantially all of the work in this submission from the design through project completion.
- The submitted project **must have been completed during the period of October 2016 through October 2018**. (Note: two year time limit)

HOW TO ENTER

Complete the Application Form (on reverse). Return form with payment in the amount of \$150.00 for each entry. This must be **postmarked no later than October 23, 2018**

Mail to: LINLA LANDSCAPE AWARDS, 136 Everett Road, Albany, NY 12205

Upon receipt of your completed entry application and payment, a standardized FLASH DRIVE with instructions and forms for completion of your entry will be mailed to you through the U.S. Postal Service.

NEXT STEPS

Save all required files to the provided flash drive. This must be returned prior to November 21, 2018. Judging will begin immediately thereafter.

CATEGORIES

New Entrant**

Single Family Residence ½ Acre or greater

Single Family Residence ½ Acre or less

Entrance

Passive Use Area

Mini-Scape

Active Use Area less than \$100,000

Active Use Area above \$100,000

Sustainable Landscape***

*** This category is open to LINLA Members who have never entered a LINLA Awards Competition before. It is designed for new entrants to "get their feet wet." However, you are not required to select this category and may enter any of the other applicable categories if desired.*

**** This new category addresses a growing concern in the landscape field. Projects suitable for this category are ones that make a conscientious effort to minimize their impact on the environment, conserve and protect natural resources, and source native and local plant material.*

Note: It is not necessary to choose an entry category at this time, but you must specify a category for each entry submitted.

JOIN THE COMPETITION NOW! Complete the entry request Application on Reverse
