

CCC JUMBLE

TROWNKE

IFINEDU

A horizontal line consisting of six short segments. In the center, there are two ovals. The left oval is positioned above the line, and the right oval is positioned below the line, with their centers aligned horizontally.

DANGAME

A horizontal line consisting of several short segments. There is a single, solid oval shape positioned in the center gap of the line.

WROGHT

TOOLISNU

A horizontal line consisting of five short segments. There are two open circles, one at each end of the line.

OBLITMYI

A diagram of a three-leaf clover structure. It consists of a horizontal line with three ovals attached to it. The first oval is at the left end, the second is in the middle, and the third is at the right end. Each oval is connected to the horizontal line at its bottom point.
