

**Mission Travel Opportunity
Memorial Presbyterian Church
Appleton, Wisconsin**

Do you like to travel and explore other parts of the world? Would you like to be a part of MPC's global mission efforts? Last spring four members of our church traveled to Nicaragua to learn about the work being done by the Council of Protestant Churches of Nicaragua (CEPAD). The Presbyterian Church has Mission Workers who work with CEPAD and help connect US Churches with the people of Nicaragua. Our travelers learned much about how CEPAD is structured and the excellent work that they do. We are seriously considering establishing an ongoing partnership with CEPAD and one of the small rural communities they work with. We would like to have some members travel to Nicaragua in March of 2018. We would join another faith community on their trip and participate in the work that they are doing. The exact travel dates have yet to be determined. CEPAD is currently working on matching us with the appropriate faith community and determining our travel dates. If you are interested in possibly joining us on this trip or just learning more, please sign up at church in the west hallway. A meeting will be scheduled to provide you with more details once the dates are finalized.
