

Great Lakes Aerospace Summit Driving Technology, Innovation & Supply Chain Partnerships

Title:	Great Lakes Aerospace Summit Driving Technology, Innovation & Supply Chain Partnerships
--------	--

Date(s):	October 24 th , 2018
Location:	Ohio: Exact location To Be Determined
Category:	Aerospace Events
Description:	<p style="text-align: center;">Great Lakes Aerospace Summit Driving Technology, Innovation & Supply Chain Partnerships</p> <p><i>This event is co-organized by the Canadian Consulate Detroit, Ontario Aerospace Council, Ohio Aerospace Institute, Kentucky Aerospace Industry Consortium and Manitoba Aerospace Council?</i></p> <p>When: October 24th, 2018</p> <p>Where: Ohio (exact location to be determined)</p> <p>What? A day to learn more about Aviation, Supply Chain, the Future of Space, New Technology (electric propulsion) and Urban Air Taxis with a B-2-B matchmaking session.</p> <p>Why? To foster commercial partnerships, technology transfer and collaborative research between the Great Lakes and Canadian Aerospace Industry clustered around Montreal, Toronto, and Winnipeg. Industry synergies, complementarily among the supply chain, proximity and favorable trade conditions are key factors to exploit and offer a win-win value proposition for aerospace organizations and Canadian groups.</p> <p>Who? Aerospace-focused decision makers in industry, associations and academia. CEOs, CTOs, business development managers, supply chain managers, product development managers, researchers, students.</p> <p>Detailed information about the upcoming event can be found at: ?</p> <p>Sponsorship opportunities & exhibit areas available. For more information, please contact Rainer Kunau, Canadian Consulate Detroit, Tel: 313-446-7015 Email: rainer.kunau@international.gc.ca</p>
