

AAPRP invites you to get involved in your community!

AAPRP is a new organization looking for creative, dedicated individuals to:

- Improve access to mental health services in Arizona
 - Highlight real life stories of recovery in action
 - Serve on the Board of Directors
 - Participate in national conferences
 - Establish a social media presence

We are looking for participation from anyone in Arizona that identifies as being in Recovery themselves, having a family member in Recovery, or being involved in the mental health field directly/indirectly. **All are welcome!**

Current PRA members in good standing are automatically a part of the local chapter. If you are not a member of PRA and would like to contribute to the local chapter, **membership fees are now only \$10 per year!**

Calls are held the 4th Monday of every month at 4pm. Please join us for our next phone conference on

Monday, 9/24/18 at 4pm
