

# GOLF @ THE HALF MOON

Our 18-hole golf course is acclaimed by industry experts and amateur golfers alike.

Half Moon's course was designed by the legendary Robert Trent Jones Sr. and modernised by Roger Rulewich, creating a masterpiece of sheer beauty and game-raising challenges.

Many official PGA tournaments also have been held at Half Moon, including the European PGA Senior Tour and, since 2007, the Jamaica Open.

Just four minutes away from our golf course are the White Witch and Cinnamon Hill golf courses, making Half Moon a golf destination.

### Expert Caddies

Four of our caddies have been providing expertise and helping players navigate the challenges of our 18-hole Robert Trent Jones Sr.-designed championship golf course since 1962. This is the same year Jamaica gained independence and Her Royal Highness, The Princess Margaret, Countess of Snowdon visited Half Moon.
