Bryan Mock, Organist-Director of Music

Evensong at Christ Church Glendale is a tiny fragment of something else; it is a part of the worship which is offered to God by Christian people every hour of the day and night, in every part of the world. When you come to Evensong here, it is as if you were dropping in on a conversation already in progress—a conversation between God and his people which began long before we were born, and will continue long after we are dead. Evensong is drawn almost entirely from the Bible. Its primary purpose is to proclaim the wonderful works of God in history and in the life, death, and resurrection of Jesus Christ.
