## Thelma C. Hoyle Chapter

Int'l Order of St. Luke the Physician  
CHAPTER MEETINGS

Big Bend Regional Medical Center  
2600 N. State Hwy 118, Alpine, TX  
4th Sat. of each month 9:30 am-noon

Katherine L. Chapman has practiced law for over forty years. Born in rural South Texas, educated at UT and St. Mary's Law School, she has always viewed practicing law as an honor and as a service to her clients. She has practiced in the urban environments of Dallas/Fort Worth and now, for over 10 years, in her small hometown of Kenedy. Buying a 100 year old building on Main Street, she put in a telephone line and had clients before she had furniture or computers. She learned quickly that people need help, legal help, but also caring, prayerful help. Her largest client for the last 5 years has been the County government of Wilson County. Simply by happenstance, it was the site of the Sutherland Springs Baptist Church shooting in November, 2017, and her lawyering took on new dimensions. She has represented and counseled THE County government and many individuals who tragically lost family members, both friends and strangers. Prayer has been an integral part of her service.
