Please join us for this summer's Albuquerque Episcopal VBS! Our theme is "49 AD Antioch: Apostle Paul's Early Journeys." Children will experience a 49 AD marketplace as well as learn about Paul's journeys recorded in Acts 13-18.

We have programming for children 3-years-old up through rising eighth graders. Adults and youth going into 6th grade or older are welcome and encouraged to volunteer to help. We look forward to bringing the excitement of knowing Jesus to children's lives!
