## *& BOMAPAC Joint Contribution*

Thank you for your interest in supporting the BOMA/Chicago Political Action Committee and BOMAPAC.

### **Why is it important to support BOMA's Political Action Committees?**

For real estate trade associations, a strong political action committee (PAC) is essential to safeguard the success of the industry. PAC donations enable an association to participate directly in the political process by supporting officials and candidates committed to advancing the interests of commercial real estate and BOMA's advocacy agenda.

Your contribution will be divided evenly between BOMA/Chicago's PAC for state and local affairs, and BOMA International's BOMAPAC for federal affairs.

The following applies only to the 50% for BOMAPAC of your contribution:

Federal law requires political action committees to report the name, mailing address, occupation and employer of each individual who contributes in excess of \$200.00 in a calendar year.

Contributions are not tax deductible. Corporate contributions or contributions by foreign nationals are prohibited.

To make a contribution, please complete the form below and return to Ron Tabaczynski at [rtabaczynski@bomachicago.org](mailto:rtabaczynski@bomachicago.org), or call the number below to make the contribution by phone.
