## Licensed Early Childhood Teacher

*(PEL with ECE endorsement)*

*Are you looking for an opportunity to have a positive impact on the development of children  
that lasts a lifetime?*

You chose to obtain your Bachelor's Degree in Early Childhood Education so that you could make a real difference in the lives of children – helping to ensure their social, emotional, developmental, and intellectual needs are met, and vigorously preparing them for success as they enter kindergarten. We invite you to join our team of passionate educators who are committed to making a difference in the lives of the children and families we serve in our Preschool For All classrooms.

At Children's Home + Aid, we believe that quality early childhood education can build the foundation for a lifetime of learning. Families count on us to help put their children on the path to a better future—and keep them there with early childhood education that reinforces children's social and emotional growth and stability. We offer Teachers the opportunity to work as part of a comprehensive social services team that supports children in becoming life-long learners and supports parent and caregiver involvement in the education of their children.

### **Required educational qualifications:**

- Bachelor's Degree in Early Childhood Education, or equivalent ECE credits
