

## Save The Date! Book Discussion with Author

Saturday, August 5, 2017

2-4 PM

Hear author Debbi Perkul discuss her new book, Winds Over Jerusalem: The Story of Rae Landy, Pioneer Nurse of Hadassah.

Winds Over Jerusalem provides a rare eyewitness account of Jerusalem from 1913 to 1915 through the lens of Rae Landy, an American Jewish nurse who braved the difficult conditions she found in Palestine.

Debbi Perkul's career has spanned several fields, ranging from Jewish education, social studies teacher, and currently, workforce development, helping people increase their education to move into higher skilled, higher paying jobs. Debbi's thesis for her master's degree in Jewish History was a short biography of her great-great-great aunt Rae Landy, which made her think that someday she would write a book about her. After years of just thinking about it, Debbi was finally inspired to write her book and is so grateful for everyone who encouraged her to follow her dream. Debbi enjoys long bike rides and going on travel adventures with her husband and family. Debbi proudly calls Cleveland, Ohio, her home.
