# GENERAL INFORMATION

## ACCREDITATION

St. Louis College of Pharmacy is accredited by the Accreditation Council for Pharmacy

Education as a provider of continuing pharmacy education. Pharmacists participating in this program can receive up to 5.0 contact hours (0.5 CEU) of knowledge-based continuing pharmacy education. Confirmation of attendance will be sent by St. Louis College of Pharmacy on behalf of participants to the NABP through the CPE Monitor system. Onsite evaluations for each session will be provided. Participants must complete and submit an evaluation for each session attended.

It is the policy of St. Louis College of Pharmacy, Office of Continuing Professional Development, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating in this program are expected to disclose to the program audience any real or apparent conflicts of interest related to the content of the presentation.

## GOAL OF THE PROGRAM

The overall goal of this activity is to improve patient care by increasing competence of practitioners via an improved knowledge base and improved clinical performance in selecting appropriate diagnostic tests and effective drug and interventional therapies. Specifically, we anticipate that the knowledge gained by participants will improve provider performance and patient outcomes in several key areas including pharmacy management, career development, and clinical practice.

## TARGET AUDIENCE

The Missouri Society of Health-System Pharmacists Annual Clinical Meeting is devoted to the advancement of health-system pharmacy education for all pharmacists, residents, students, and technicians in the State of Missouri. The meeting provides opportunities for immediate application and idea exchange through cutting-edge programming and networking opportunities such as Special Interest Group (SIG) meetings. All healthcare professionals engaged in the care of patients in the health-system will find this meeting to be an educational experience that positively impacts daily practice.

## FACULTY

### DISCLOSURE

All programming in which St. Louis College of Pharmacy is in any way involved, whether as sole provider or co-sponsor, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss any single commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any St. Louis College of Pharmacy offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. The faculty of the 2016 MSHP Fall Meeting had nothing to disclose.
