

Precious Gift Frequently Asked Questions

Who are these gifts going to?

Disadvantaged and displaced children living in Colorado

Do I need to purchase everything on the child's wish list?

You do not need to purchase everything on a child's wish list. We just ask that each child receive a gift or gifts valued at or around \$50. For most children in the Precious Gift program, these gifts will be the only ones they receive this holiday season.

What if I am not able to purchase a gift but would like to order an item online to sponsor the child on my tag?

You can absolutely order an item online to sponsor the child on your tag! Please ensure that on the gift receipt of your order you put the child's information including tag code (Ex. BHHS114) so that we know what child your gift is intended for. All gifts can be shipped to the following address:

A Precious Child
Attn: Brittany Polinski
557 Burbank Street, Unit E
Broomfield, CO 80020

When should I drop the gifts off?

There is a drop-off deadline on the bottom of each child's tag. The gifts are distributed shortly after the given deadline date so timely drop-offs are greatly appreciated.

Should I wrap my gift?

We ask that all of the gifts come unwrapped. We try to empower the parents by providing them with wrapping paper so that they have the opportunity to wrap their own child's gift.

What should I do with the tag?

Please attach the child's tag to the gift. If you do not have the tag, please make sure the code in the upper left hand corner, the child's name, and age are on the gift. The code helps us organize the toys and ensure they are given to the right child.

Once I have signed up as a Drive Partner, when can I expect my collection bins?

You will receive a confirmation phone call or email that will advise you as to when your bins will be delivered. At this time, we will also confirm the size and quantity of bins that will be best suited for your drive.

Where should I place my collection bins (s)?

Our collection bins are nicely branded with signage that outlines the program and the need for donated items. The bins should be prominently placed where employees, customers, visitors, etc. can easily see them.

Can I use my own bins or boxes to collect donations?

You are more than welcome to use your own bins or boxes to collect donations. We ask, however, that you print our signage materials (available on our website) so that all drives and collections for A Precious Child are consistent with our branding.

Can I give donors a donation receipt?

Yes, we can provide you with In-Kind Donation Receipts to give donors for tax purposes. Please be sure you keep the white top copy of the receipts to return to A Precious Child on your bin pick-up day and give the yellow bottom copy to the donor.

What information do you need from me to host a drive?

We need the following:

Primary Contact Name, Company/Organization (if applicable), Address of where the drive will be taking place, Email, Phone #, and if the drive will be internal or open to the public

What can I do to promote my Collection Drive?

Getting the word out about your drive is easy, especially when you use our Drive Partner Tool Kit that contains sample social media posts, a fillable flyer, logos etc. The Drive Partner Kit will be emailed to you at the start of the Drive and is also accessible via our website.

Where do I drop off donations?

Donations should be dropped off at A Precious Child's Resource Center located at 557 Burbank Street, Unit E, Broomfield, CO 80020.

When will the items and collection bins be picked up?

Drive Partners are encouraged to drop off bins at our Resource Center (address listed above). Please contact us if you require a pick-up.

What can I do if my bins are full before the end of the Collection Drive?

If your bins are full, please call us and we will schedule a pick-up. We will happily collect your donations and leave you with an empty bin so that you can continue collecting gifts on behalf of children in need.

Where can I get more information or assistance?

Please contact Brittany Polinski, Director of Programs, at Programs@APreciousChild.org or call 303.466.4272, ext. 116.
