

"EXTRA-LIFE"

Who likes video games?!?!?!?

Mark your calendars for November 5th, 2016!

The Richmond Police Department is hosting its first annual "Extra-Life" 24-hour video gaming marathon. This will start at 8:00am on Saturday, Nov. 5th, and run through 8:00am on Sunday, Nov. 6th.

So what is Extra-Life? Extra-Life is a worldwide event that takes place every November.

Millions of video game players stream themselves playing video games for 24-hours while raising money for various Children's Miracle Network hospitals. Most people do this from their own home, however, we are going to make it a big event and hope to have a large turnout! There will be various video game tournaments, contests, board games, and something for everyone. Our goal is to give away a door prize every hour. To do this, however, we are seeking donations; whether it be monetary or items to give away (such as sports memorabilia). Our goal is to give away a grand prize of a new video game console at the start of the 24th hour!

More details will come in the following weeks so stay tuned! In the meantime, check out the Extra-Life website at www.extra-life.org. We will have a team setup that everyone can join in the coming weeks.

A facebook group has also been created which you can find at <https://www.facebook.com/groups/284011758630623/> We'll be posting updates as well as gathering ideas from people interested.

Please contact me (Detective Matt Peterson) or Brad Horn with any questions!
