2017 Winner
Audrey Link, Lakeland, FL

My poster shows a mom and a dad that seem to be randomly holding out their arms but their shadow contains a small family with 1 mom, 1 dad and 1 daughter. When I was brainstorming ideas, I looked at last years winner and immediately thought, shadows. I created this idea for my poster through a simple sketch. Afterwards, I thought of other good ideas, but I ended up on this one. As you look at the picture, you should think of them once having a memory of a child, but now have their child missing.
