

## 2017 Israel Tour

### “Come Home To Israel”

Join Robert and Mary Louise Ackerman, *Rabbi* and *Rebbetzin* of *Beit Shalom Messianic Synagogue*, Thomasville, Georgia, on this exciting trip to Israel. Visit significant Biblical sites and hear insights from a Messianic Jewish guide (follower of Yeshua). Pray with us in special places for the people and nation of Israel and for G-d's eternal plan to be fulfilled. Hear from Messianic Israelis their perspective on Israel, world events and the last days. See exciting sites, do exciting things and enjoy delicious food on this “trip of a lifetime.” If you've never been to Israel, it will “change you.”

### Day 1

**Tuesday, November 28<sup>th</sup>: Departure:** Depart **Jacksonville** 12:00PM. Arrive **Newark** 2:19 PM. Depart Newark 4:05 PM.

### Day 2

**Wednesday, November 29th: Arrival.** Arrive at Tel Aviv's *Ben Gurion* Airport at 9:25AM. After customs, at approximately 11:00 AM, meet your driver and guide. Drive to Jerusalem for lunch. Visit the Friends of Zion Museum. Experience an exciting 3D and holographic presentation of Israel from the time of the Land of the Promise up to modern times and the Declaration of the State of Israel. Visit *Ben Yehudah* Street, an exciting open-air shopping plaza for your first opportunity to purchase special momentos of Israel. Drive to *Yad Hashmonah Moshav* to visit their Biblical Gardens. A *moshav* is a collective organization similar to a *kibbutz*. The exciting thing about this one is that it is Messianic; they are believers in *Yeshua*. The Biblical Gardens provide a glimpse into the spiritual, physical, and agricultural world of the Jewish people in the land of the Bible in *Yeshua*'s day. Some of the things that you will see are an ancient wine press, an olive oil press, a *mikveh* (ritual immersion pool), a burial cave, an agricultural watchtower, and a Galilean-type synagogue, ***Yad Hashmona Moshav***. Dinner and overnight.

### Day 3

**Thursday, November 30<sup>th</sup>: *Yad Hashmona*.** After breakfast, depart *Yad Hashmona* and drive through the *shephela*, the Judean foothills in the center of Israel. Visit the *Elah* Valley, the site of the battle between the Israelites and the Philistines where young David defeated Goliath. Pick up stones from Brook of *Elah*, the probable site from which David found his five smooth stones (1Samuel 17). Drive to *Beit Guvrin* National Park which has 480 chalk caves with over 2000 years of history. *Beit Guvrin* was formerly the Israelite village of *Maresha* (Joshua 15:42, 2Chronicles 11:8, 14:9, 20:37 and Micah 1:15). In the park, visit the awe-inspiring Bell Cave, its name derived from its shape and its 60 foot ceiling. Lunch at Bell Cave. Drive through the town of Gath, the home of Goliath as we make our way to the ancient city of *Beersheva* where Abraham once lived. Visit the ancient site of Beersheba (*Tel Beersheva*) and sense the presence of Abraham, Isaac and Jacob and maybe even Elijah who passed through this city running away from Queen Jezebel (Abraham: Genesis 21; 22, Isaac: Genesis 26, Jacob: Genesis 28; 46 and Elijah: 1Kings 19). See the very ancient well in the city, maybe even Abraham's well. Depart *Beersheva* and drive through the *Negev*, the southern desert, on our way to a Bedouin village, *Kfar Hanokdim*, for overnight. The encampment is located in a green oasis with shaded areas created by palm leaves and biblically inspired gardens. When we arrive you will be invited inside the Bedouin tent to

relax around the fire and sip hot, spicy Bedouin tea. Then experience the traditional coffee-making ceremony and sample fire-baked pita. Enjoy the rich explanations and stories given by these colorful desert dwellers. Your accommodations will be Bedouin Tent-style group camping in a luxurious, colorful Bedouin tent. There are modern showers and restrooms adjacent. For the less adventurous, rooms are available if chosen at the time of initial deposit. Experience a camel ride in the *Kana'im* Valley circling through the Bedouin settlement. Have dinner in a Bedouin banqueting tent. **K'far Hanokdim**, dinner and overnight.

## Day 4

**Friday, December 1<sup>st</sup>: K'far Hanokdim.** After breakfast, depart *K'far Hanokdim* and drive to *Masada*, the Dead Sea fortress built by King Herod and the last holdout of a group of Jewish zealots after the fall of Jerusalem in 70 CE. Take the cable car to the top (or the snake trail for the more adventurous) and tour the ruins of this small city on the plain of a flat-topped mountain. Hear the story of the last days of the Jews as the Romans furiously built a siege ramp up the western side. After lunch at *Masada*, drive along the western shore of the Dead Sea to *Ein Gedi* (Spring of the Mountain Goat). View the hills above where David hid from King Saul (1Samuel 23:29). *Ein Gedi* is also named in the prophetic description of the days after *Yeshua* returns (Ezekiel 47:10). Continue driving along the Dead Sea to *Qumran* where the Dead Sea Scrolls were found. This ruined village is thought to be the home of the Essenes, the Jewish sect which wrote many scrolls of their own and preserved some of the Biblical scrolls as well. Continue to drive along the Dead Sea coast to its northern tip. Begin the ascent to Jerusalem. From 1200 feet below sea level we will climb to Jerusalem at 2,550 feet above sea level; a 3,750 foot climb! We will make *Aliyah*, go up to Jerusalem. Read together Psalms 120-134, the Psalms of Ascent. Arriving in Jerusalem on Mount Scopus, we will stop at an overlook to share a covenant of salt together before continuing to our hotel. Consider that in contrast to leaven, the use of which is forbidden on the altar, salt is commanded for use on the altar, not only on meats, but also on grains (Leviticus 2, Numbers 18 and 2Chronicles 13). Sharing the covenant of salt together by placing salt on shared bread (grain) as we look out over Jerusalem will remind each of us of the New Covenant which ADONAI (G-d) made with us through His Son *Yeshua*. The permanence of salt suggests an unbreakable covenant. Continue to Sephardic House Hotel in the Jewish Quarter of ancient Jerusalem. **Jerusalem, Sephardic House**, dinner and overnight.

## Day 5

**Saturday, December 2<sup>nd</sup>: Jerusalem.** *Shabbat*, the Sabbath. No tours. We will have our own *Shabbat* Service at the hotel, after which you may wish to join other local services. Or, you may just wish to rest and later walk to the nearby Western Wall, the western retaining wall of the Temple Mount constructed by Herod. Today, without a Temple, it is the holiest site in Judaism. You may wish to go there to pray and to place written prayers in niches in the wall. The *Kotel*, the Wall, is divided into men's and women's sections. On your way, you can view the Temple *Menorah* constructed by the Temple Institute for use in the new Holy Temple. The *menorah*, containing 45 kg of 24k gold and weighing ½ ton, is worth approximately \$3,000,000. It stands alongside the *Yehudah HaLevi* steps leading down to the Western Wall Plaza. **Sephardic House**, dinner and overnight.

## Day 6

**Sunday, December 3<sup>rd</sup>: Jerusalem.** Begin the day atop the Mount of Olives with an overview and orientation about the city of Jerusalem. Drive down the Mount of Olives to the Garden of Gethsemane where *Yeshua* prayed with His disciples following His last Passover *seder* (Matthew 26:26-45). Take a moment to quietly pray in this peaceful place. Enter the Lion's Gate of the Old City. Inside, visit the Pool of Bethesda, the place where *Yeshua* healed a man ill for 38 years (John 5:2-15). Continue your walk to the Church of the Holy Sepulcher. Inside this church, first built in 330 CE by Constantine's mother, is a tomb which most scholars believe to be the tomb in which *Yeshua* was laid (Matthew 27:57-60). Also inside the church is a place that some believe to be Golgotha (Matthew 27:33). Walk the short distance from the church to the Jewish Quarter and visit the Cardo, a street built by the Romans after the destruction of Jerusalem in 135CE. Visit

the shops of the Jewish quarter and have lunch on your own. Regather and visit the nearby Temple Institute, the organization which is preparing everything needed to reinstitute Temple worship. Hear about progress and see the actual garments, Temple implements, and furniture on display. The re-created large, golden Temple *Menorah* is nearby. Then visit the City of David and the newly discovered Palace of David (2 Samuel 5:11, 2 Samuel 11:2 and 2 Samuel 16:21-22), evidence further establishing the truth of ancient Jewish presence in Jerusalem (as opposed to what some say). See the ancient street leading from the City of David to the Temple Mount. The City of David complex is connected by an underground tunnel at the ancient street level to the Davidson Center, the Jerusalem Archeological Park, a place dedicated to everything relating to the Temple Mount. Walk from the Davidson Center to the southwestern corner of the Temple Mount. See the excavated Herodian street of *Yeshua*'s day alongside the Western Wall. Visit the southern Temple steps, the main entrance to the Temple Mount and the location of the *mikvaot*, the immersion pools, which *Shimon Kefa* (Simon Peter) would have used to immerse the new believers on *Shavuot* (Pentecost), just days after *Yeshua*'s ascension into heaven (Acts 2:41). Visit the Western Wall for a time of prayer. Return to **Sephardic House** for dinner and overnight.

## Day 7

**Monday, December 4<sup>th</sup>: Jerusalem.** Begin the day at *Yad Vashem*, Israel's memorial to the Holocaust. This very moving place is named from Isaiah 56:5; where G-d says, "I will give them (*Yad*) a memorial and (*Vashem*) a name. You will want to spend time inside the main museum and also walk down the "the Avenue of Righteous Gentiles" where carob trees are dedicated to those who saved Jewish lives during the Holocaust. Visit and tour the *Knesset*, Israel's parliament. The tour presents the nature of Israeli democracy, the *Knesset*'s roles and responsibilities and the works of art in the building. The *Knesset* Committees Wing, the Plenary Hall, Chagall Hall and the exhibit of Israel's Declaration of Independence are also visited. Travel to the Israel Museum and spend the remainder of the day at the complex which contains the Jerusalem Model, the Shrine of the Book, and the Israel Museum. The Jerusalem Model covers almost an acre and depicts Jerusalem at its peak in about 66CE. The Shrine of the Book contains the Dead Sea Scrolls discovered at *Qumran* along with many other exhibits of that time and area. The Israel Museum houses works dating from prehistory to the present day in its Archaeology, Fine Arts, and Jewish Art and Life Wings. Return to **Sephardic House** for dinner and overnight.

## Day 8

**Tuesday, December 5<sup>th</sup>: Jerusalem to the Galilee via Samaria.** After breakfast, depart Jerusalem. Drive through Samaria to *Tel Shiloh*. *Shiloh* was the religious center of Israel during the times of the Judges and spans 4,000 years of continuous settlement. *Shiloh* was one of the locations of the Tabernacle (Joshua 18:1). Be still at this probable site for the Tabernacle and experience the amazing presence of the L-rd there. Continue driving north through Samaria and view Mount Gerizim (*Har Gerizzim*) to the west. This is the Biblical site where G-d commanded Joshua to pronounce the blessings (Joshua 8:33). Continue north for several more miles and view Mount Ebal (*Har Eval*) to the west. On this mountain the altar was constructed and the curses were pronounced (Joshua 8:30-33). Our trip continues through Samaria into the Jezreel Valley where you will visit *Ein Harod*, the Spring of *Harod*, which flows out from the base of Mount Gilboa. It was on the top of Mount Gilboa that King Saul and his three sons died; his sons at the hands of the Philistines and Saul by his own hand (1Samuel 31:2-6). The Spring of *Harod* is the place where Gideon gathered his men before battling the Midianites (Judges 7:1-25). Look toward the north from the spring and see the Hill of *Moreh* (Judges 7:1) where Gideon and his 300 men defeated the Midianites. Visit *Beit She'an*, where the Philistines took the bodies of Saul and his sons, and placed them on the city wall (1Samuel 31:8-13). It was a city of the Decapolis in *Yeshua*'s day. Later occupied by the Romans, it was destroyed by an earthquake in the 7th century. Continue to *Kinar Galil* Hotel on the northeastern shore of the Sea of Galilee. This beautiful spot has its own dedicated swimming beach and a view of the Golan Heights. Nearby is *Kursi*, which is thought to be the site of the healing of the Gadarene demoniac (Mark 5:1-19). ***Kinar Galil* Hotel** for dinner and overnight.

## Day 9

**Wednesday, December 6<sup>th</sup>: The Galilee.** After breakfast, drive south to *Kibbutz Ein Gev* on the eastern shore of the Sea of Galilee and board a fishing boat for a trip across the lake. Dock at *Kibbutz Nof Ginosar* about 10 kilometers north of Tiberias. This is the location of the famed “Jesus Boat.” Visit the 2000 year old boat in the museum there, a fishing boat similar to those which *Yeshua* and his disciples would have used. There is also an excellent gift and Judaica shop here. Drive to the village of *Kfar Nachum*, Capernaum, where *Yeshua* found his first disciples (Matthew 4:12-22). Visit the Capernaum synagogue where He taught (Mark 1:21-22). See the home of *Shimon Kefa*, Simon Peter, where *Yeshua* may have stayed (Matthew 8:14-17, Luke 4:38-41 and Mark 2:1-12). It was also here that Peter found the coin in the mouth of the fish (Matthew 17:24-27). Drive to *Tel Dan*, the partially restored site of the ancient city of Dan. Dan is the second site of the “golden calves” of King Jeroboam, king of the northern Kingdom of Israel (1Kings 12:25-29). In the vicinity of Dan, visit the former Canaanite city of Laish. The amazing thing about Laish is that it is “in situ,” exactly as it was and not reconstructed. Is it possible that Abraham and Sarah walked up those very steps and entered the city gate of Laish on their journey south into Canaan? Nearby, visit *Banias* at the foot of Mount Hermon (*Har Hermon*), the site of Caesarea Philippi, the place where *Yeshua* asked “Who do men say that I am?” (Matthew 16:13-19). The spring of *Banias*, flowing from the base of Mount Hermon, is one of the three streams which later join to make up the Jordan River. Sit in a certain spot and imagine that *Yeshua* is there asking you that very question. Return to ***Kinar Galil Hotel*** for dinner and overnight.

## Day 10

**Thursday, December 7<sup>th</sup>: The Galilee.** After breakfast, depart the ***Kinar Galil Hotel*** to begin our journey south for our final day of touring. On the way, drive by Mount Tabor. It was here that the Israelites gathered under the Prophetess Deborah to battle the Canaanites led by Sisera (Judges 4 & 5). Mount Tabor is also thought by some to be the site of *Yeshua*'s transfiguration. We think that it was more likely on Mount Hermon to the north, since he and his disciples were at Caesarea Philippi just prior to the event (Matthew 17:1-13 Mark 9:1-9 and Luke 9:26-38). Pass near *Ein Dor*, where King Saul sought to speak to the spirit of Samuel through the witch of *Ein Dor* (1Samuel 28:7-25). Pass near the ancient town of *Nein* (Nain) where *Yeshua* raised a widow's son from the dead (Luke 7: 11-17). Drive through the Jezreel Valley, the Valley of Armageddon, to the mound of Megiddo, *Har Megiddo* in Hebrew, which gave its name to Armageddon. View 6000 years of civilization on this *tel* with its 26 levels of civilization and its impressive 9th century BCE water system constructed by Solomon. Leave Megiddo and begin the ascent to *Har Karmel* (Mount Carmel), the site of Elijah's confrontation with the prophets of Baal. On the way, have lunch at a Druze restaurant. The Druze are a sect said to be descended from Jethro, Moses' father in law. At the summit of Mount Carmel, visualize the scene of Elijah's triumph over Baal and look down on the Valley of Armageddon and see the *Wadi Kishon* where the prophets were slain (1Kings 18:1-19:14). You can also look directly across the Jezreel Valley and see Mount Gilboa. From Mount Carmel, one can see both the eastern and western extents of the small nation of Israel. Drive down Mount Gilboa and turn south along the Mediterranean coast. Drive to *Caesarea Maritima*, with its magnificent harbor, theater, and aqueduct which were constructed during the reign of Herod. It was here that Simon Peter explained the way of salvation to Cornelius (Acts 10:1-48). *Sha'ul*, Paul, was also imprisoned here before being sent to Rome (Acts 23:33-26:32). Drive to ***Yad Hashmona Moshav***. For dinner and overnight.

## Day 11

**Friday, December 8<sup>th</sup>: Yad Hashmona.** After a good night's sleep and a delicious Israeli breakfast, drive to ***Ben Gurion Airport***. After clearing customs, depart at 11:50 AM. Farewell to beautiful Israel for now, remembering the words of the psalmist: *5 If I forget you, O Jerusalem, let my right hand wither. May my tongue cling to the roof of my mouth if I cease to remember you, if I do not set Jerusalem above my chief joy* (Psalm 137:5-6 TLV). Arrive **Newark**, Saturday, December 8<sup>th</sup> at 4:35 PM. Depart Newark at 8:30 PM and arrive in **Jacksonville** at 11:50 PM.
