- Investors

California's state regulatory climate for the the growing legal cannabis market, for both medical and recreational-use, is taking shape. A number of laws have been introduced and the regulations detailing the specific rules and finer points of those laws are being finalized at both the state and local levels.

"The CHCC's Cannabis 2.0 Workshop Series,"

will discuss key regulatory and compliance issues at both the state and local level. The session will provide an outlook on the future of California's Cannabis Market, financial and banking consideration, and the opportunities for entrepreneurs. Cannabis 2.0 will focus on what business owners and the Hispanic community can expect as they prepare for success in the Cannabis Industry 2018 and beyond.

CHCC Cannabis 2.0 Networking Reception

Following the workshops, join presenters and other industry experts and players at a networking reception. Connect with key individuals that can assist in your success.

Here are a few topics that will be covered

- Learn more about the State's Regulatory Requirements and Compliance
- How do I build my Cannabis Business Team
- Strategies for Managing Cash from a Cannabis Operation
- Status of Banking and Lending Options
- How to Invest in the Cannabis Space
- Financing the Growth of the Cannabis Enterprise
- The Basics of Starting (or Pivoting Into) the Cannabis Space
- Managing Risk of the Cannabis Venture
