## TRILLIUM INITIATIVES

### CHILD FIRST

Child First is a national, evidence-based, two-generation model that works with very vulnerable young children and families, providing intensive, home-based services. Child First works with parents and young children together in their homes because that provides the best opportunity to strengthen families. North Carolina was selected as a replication site for Child First, assisted by the efforts of Trillium Health Resources. Coastal Horizons, Easterseals UCP, Kids First, and the Power of U are all affiliated agencies in the Trillium catchment area [Learn More](#)

### MENTAL HEALTH FIRST AID

Mental Health First Aid is an 8-hour, in-person certification course for adults. It teaches them how to help adolescents and adults who may be developing a mental health condition or experiencing a mental health crisis. Training is specialized for the youth and adult population.

### ACCESS POINT KIOSKS

The Access Point kiosks are screening tools designed to provide people with access to anonymous, evidence-based screenings for mental health and substance use challenges.

During the last quarter, [Pamlico](#) and [Tyrrell](#) counties received this unique screening tool.

## TRILLIUM IS TRANSFORMING LIVES...

### ...by Giving Back

Trillium's Call Center staff held a "Heal The World" challenge for the entire month of August. They had four teams in the call center trying to raise as much money as possible!! There were lots of donations made and raffle tickets purchased resulting in nearly \$3,000 raised in one month.

100% of the proceeds were donated to each teams charity of choice - [Alzheimer's of NC](#), [Restore One](#), [American Cancer Society](#), and [PGA Reach](#).
