HOW TO REGISTER:

NEW this year we will be using an online system called CampDoc to store enrollment packet information. Starting February 1st, you may pre-register for camp online at hylandhills.org, over the phone by calling 303-650-7580 or in person at the Perl Mack Community Center,

7125 Mariposa Street. After you have pre-registered and paid the \$25 fee you will receive an email invitation to complete an online enrollment packet from CampDoc. Once your child's enrollment packet is complete at 100% you will be given access to register your child for full camp or select the days you need. Registration is on a first come first serve basis and the pre-registration alone does not secure your child's spot in camp, you must complete the online enrollment packet before your child's spot will be secure.

Please refer to your pre-registration receipt for further instructions on using CampDoc.

Camp locations are subject to change based on school availability.
