## June Guest Speaker: Linda Wagner

Lecture: "Make Mine Scrappy"

Linda Wagner has been making quilts for over 35 years and teaching quilting for over 25 years. Owning her first sewing machine while in third grade, Linda began making doll clothes before moving on to making clothes for herself and other family members. Linda's first quilt was made using Eleanor Burns techniques that included ripping strips (this was before the rotary cutter was invented). Things took off at warp speed after joining a quilt guild.

For this lecture Linda will share her love of scrap quilts with quilts that contain 100-400 or more fabrics. She will include insight into border decisions, design choices and impact of quilting on the finished product.

Linda teaches the way she would like to be taught and always has extra quilts shown only

in her workshops. Have quilts will travel!

## President's Message

Being a quilter can be magical. Start with pieces of fabric, spools of thread, and imagination - end with something beautiful and useful. One thing that doesn't happen by magic, however, is the smooth operation of the guild. We invite all members to make a stronger connection with AVQ by volunteering. Whether the task is small or large, for a day or a year, on the board or in the field, your contribution is of vital importance. In return, the guild offers a chance to make new friends, find support for your artistic endeavors, learn new skills, and open yourself to unforeseen opportunities.

As it happens, there are several board positions available. Please call or email me to discuss the details. While you are at it, ask about signing up for a shift at the Alameda County Fair. The money you earn can go to AVQ (thanks to Jeanne Brophy for arranging this easy fund-raiser!), and you get free tickets for the fair (and parking). The detailed instructions from Jeanne are in this newsletter, but the short version is go to [www.alamedacountyfair.com](http://www.alamedacountyfair.com), click on enter, click on volunteer for us, choose your post, and make sure you have the money sent to AVQ. From what I can see, working in the buildings is a lot like white-gloving. For a sit-down job, try the information booth opportunities. The job listings have reasonably complete descriptions.

Finally, thanks to Chris Sagan for putting together this newsletter for one more issue past her two year tenure. The next newsletter will depend on someone volunteering to be the editor for 2017-18. If you can use Word, you can be the newsletter editor. I hope to hear from you soon!

*Make quilts - make art - make magic!*

*~ Lani Longshore, AVQ President*

### "Intriguing Interleave Quilts" at Bothwell Arts Center

You will unlock the fun and intrigue of Interleave quilts. This workshop will reveal all the secrets behind creating the illusion of curves and transparency. Best of all, these Interleaves are assembled using a "quilt-as-you-go" technique, so your unique Interleave quilt will be pieced and quilted at the same time. **Check website for supply list.**

**August 13, 2017 Ashley Nickels**

### "Basics of Modern Machine Quilting" at Bothwell Art Center

In this class, you will learn basic machine quilting techniques and gain insight into creating a modern composition on your quilts. This would be a great class to learn new techniques and try them out on a Community Quilt. It's a win-win. CQ gets a completed quilt and you get to practice your quilting. Give it a try.

## May's In-House Program

Last month's in-house program featuring 10 of our own members sharing techniques that they enjoy and find useful was a smashing success. ## Alameda County Fair - June 15 to July 9

**Raffle for Community Quilts** - I am the liaison for the Alameda County Fair and I am looking for volunteers to sell raffle tickets. The funds will go to Community Quilts. You get tickets to the Fair and parking passes. You wear your regular clothes and get to talk about AVQ and we will have a sewing machine there to demo sewing. A few blocks will be made for CQ, so this is a win-win for everyone. Dates are every Wednesdays and Thursdays: 6-21, 6-22, 6-28, 6-29, 7-5 and 7-6. We also may get Fridays but this has not been determined yet. Bonus--we are the only quilt guild selling raffle tickets for a quilt.

### **VOLUNTEERS working for the Fair benefit AVQ!**

This year the Fair has gone digital for volunteers to register to work at the Fair. It is so simple, even I could do it. Here's what you do:

1. Go to [www.alamedacountyfair.com](http://www.alamedacountyfair.com) and click on **ENTER** (it's in red on the left side of screen)
2. Move cursor to **JOIN** at top of screen; on drop-down menu, click on **"Volunteer Program"**.
3. Click **"CLICK HERE TO VOLUNTEER WITH US!"** then **"Fill in an application"** and follow directions.
4. The building with the quilts is building C but you can volunteer anywhere you like.

Your job in building C is as a monitor. Make sure folks aren't touching the displays and answer questions. Most of the questions are "where are the bathrooms?" You get to talk to a lot of really nice people. There are chairs for breaks. Details of what is expected of you for every area is on line. Need help, call me and I will walk you through it. The guild makes \$4 an hour for morning shifts and afternoon/evening shifts make \$5 an hour. You get a tee shirt, goody bag, and tickets and parking passes for the days you work. And you get bonus tickets to visit the Fair when you are not working. It's great fun, so join me at the Fair and make money for the guild.

~Jeanne Brophy, Fair Coordinator

## Quilts of Valor

At our lovely Quilt Show in Livermore we presented three Quilts of Valor on April 22<sup>nd</sup> to:

- Jeff Harvey: U.S. Navy with rank of Store Keeper 2<sup>nd</sup> Class (E-5). He went on to serve 28 years with various law enforcement in the Bay Area. He received a AVQ quilt.
- Nicholas Albert: (pictured below left) U.S. Army 101<sup>st</sup> Airborne for two tours in Iraq and the rank of Sergeant E-5. He then continued to serve in the Army reserves.
- Vikki Sarasua: Marine Corps deployed Operation Iraq Freedom with rank of Staff Sergeant. Vikki received Mary Ann Soby's quilt. She's pictured here (below right) with Mayor John Marchand and MaryAnn Soby.

On April 29<sup>th</sup> we presented a Quilt of Valor at the Veterans Memorial Hall to Dan Crocker (pictured on left), Navy WWII. He worked flight line as Mechanic Mate doing preflight checks. This was Dan's 91st birthday and he was not expecting a QOV. Was he surprised! He received a quilt that Audrey had quilted.

While we were at the meeting about fifteen American Legion and Veterans of Foreign Wars stood up and told us they had received a Quilt of Valor and where. They shared how they use the QOV and how special the quilts are to them. With the support of the Guild this program has evolved and grown, we have touched many lives and healed some hearts. This program has given me great joy and I thank you all for the support you have given me and this wonderful program and I know that you will continue to support Audrey Hutchinson as the new chair.

I would like to thank the wonderful VFW Post 7265 of Livermore for all the work they did at our quilt show. This is a wonderful group of men.

### Upcoming Presentations:

May 29<sup>th</sup> Memorial Day, eight Quilts of Valor to VFW Post 7265 at the Veterans Memorial Hall in Livermore. 12-2PM all invited.

June 22<sup>nd</sup>, 20<sup>th</sup> & July 6<sup>th</sup> Alameda County Fair 1:30PM Gazebo by Building C. Nominate a Veteran to receive a QOV. Come join us every Monday 10:15AM to 4PM at the Veterans Memorial Hall in Livermore. VFW Post 7265 would like us to fill the hall with quilters!! Please bring your lunch.

### Quilt Kits Available:
