## July Guest Speaker: Mel Beach

**Lecture:** Challenge Yourself! Discover the World of Quilt Challenges

**Workshop:** Intriguing Interleave Quilts

Mel's quilting adventure began in 2003 and, since then, she has enjoyed every moment spent creating modern, bold and fun quilts. While living in New York State, she learned to quilt on her own via books, magazines and television. Since moving to Northern California, she has immersed herself in the vibrant quilting community here in the Bay Area as well as online. She loves experimenting with new techniques and designs, and especially enjoys combining bright colors and exciting textures, whether its solids, ombres (her personal favorite), prints and/or her own hand dyed fabrics. Mel is especially drawn to participating in Quilt Challenges, both at the local and national/international level! Each new challenge pushes her to grow as a quilter as she creates innovative designs to celebrate fiber through new techniques, fabrics and layouts. Mel will share her love of challenges with us.

## President's Message

Many thanks to those who have stepped forward to keep AVQ running smoothly, especially our new newsletter editor - Amy Sams. In addition, we now have a Welcoming Chair - Helen Rydeck - and Sue Green and Renee Haynes volunteered at the June meeting to take Budding Beginners.

Speaking of meetings, we will change the order of our July meeting to accommodate our speaker, Mel Beach. She will make her presentation after sharing.

AVQ is exploring ways to support our members who wish to share their quilting-related blogs or websites. I have been writing for seven years about my never-ending quest to tidy up my sewing room. You are welcome to stop by <https://lanilongshore.wordpress.com/> to see my progress (or lack thereof). I would love to see how the rest of you share your quilting journey. Let me know where I can find you on the web, and whether you would like that information in our directory.

As you read this edition of The Amador Rose, take special note of all the opportunities there are to share your art and skills, both with the guild and the wider community. Some could provide immediate rewards, like reserving a table at the Bankhead summer concert series in Livermore to sell your quilts and quilt-related items, and some are more long-term. Whatever your interests, AVQ is here to help you find a way to learn, to grow, to contribute, and to make friends.

**At the Bothwell Arts Center, 2466 8<sup>th</sup> Street, Livermore  
Workshops are 10am – 4pm. The cost is \$50.  
You may pay by cash, check or credit card.**

**July 9, 2017 Mel Beach**

### “Intriguing Interleave Quilts” at Bothwell Arts Center

You will unlock the fun and intrigue of Interleave quilts. This workshop will reveal all the secrets behind creating the illusion of curves and transparency. Best of all, these Interleaves are assembled using a "quilt-as-you-go" technique, so your unique Interleave quilt will be pieced and quilted at the same time. **Check the AVQ website for the supply list.**

**August 13, 2017 Ashley Nickels**

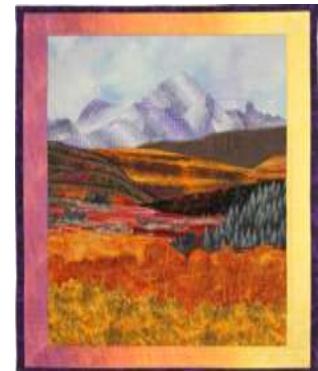

### “Basics of Modern Machine Quilting” at Bothwell Art Center

In this class, you will learn basic machine quilting techniques and gain insight into creating a modern composition on your quilts. This would be a great class to learn new techniques and try them out on a Community Quilt. It's a win-win. CQ gets a completed quilt and you get to practice your quilting. Give it a try.

**Check the AVQ website for the supply list.**

**September 10, 2017 Meri Vahl Workshop: Layered Landscapes.**

Open up a whole new world of artistic possibilities with this playful and fun technique. No fusing or sewing machines necessary for this one day class. Just bring your favorite photograph for inspiration, scissors, lots of straight or safety pins, fine BLACK tulle (other colors as desired), and fabric to make your artistic vision come true. In addition, I'll demonstrate how I create people for my quilts, and I'll show you an easy way to add borders so you can make an art quilt of any size, and you will only have to machine quilt the outside edges of your project.

**October** In-house program TBD

**November 12th** Alexandra Vonburg Workshop: Free Form Piecing.

*Free form piecing is a no-template method of making unique multiple blocks that will fit together for a whole quilt. A great way to feature scraps and favorite novelties*

**January 14th** Jenifer Dick “Starburst”

**February** In-house program TBD

**March 11th** Peggy Martin “Jelly Roll Jive”

**April 15<sup>th</sup>** Christine Barnes “Luminosity”

**To sign up:** stop by the Workshop Table or contact Audrey Hutchinson, Workshop Chair.

## Block of the Month

The July BOM is a ginger jar set made with Asian-like fabrics on a white/off-white background. There will be three (3) designs to select from. Don't forget to bring your batik "Next Door Neighbor" blocks to the July meeting.

~ Maya Madhavan and Kathy Proctor, BOM Co-Chairs

## Quilters Who Like Horses, Take Note

A visitor to our quilt show has asked if there are any members who would like to collaborate on a project with her to make tote bags from horse feed sacks as a fundraiser for a local horse rescue group. Please call Gretchen Kyle at (510) 386-6127.

## Breaking News .... It HAS happened; the lost has been found!

The long-lost box #14 has been found. It is in good shape. You may check out books from this mystery box and others at the meeting in July. Stop by and see new books and say "Hi" to our new Librarian, Maureen Hall.

## Alameda County Fair

### Raffle for Community Quilts

June 16 - July 9

A big **THANK YOU** to all those that have volunteered their time, Pre-Fair - Receiving and Judging quilts, hanging quilts, working for the Fair (earnings for AVQ) and Raffle Sales (earnings for Community Quilts). We met many visitors to the Fair that were excited about buying a chance on our beautiful quilt, watching us sew on a Featherweight and hearing about Quilts of Valor.

There is still time to sign up for a shift to work for the Fairgrounds. AVQ earns \$4/hr. for early shifts and after 3 pm we get \$5/hr. This is a fun fund raiser for both the Guild and for Community Quilts.

## Quilt Show Wrap Up

We are wrapping up all the Quilt Show information and financial records and I am happy to report that the **NET profit for Colors of the Vineyard was over \$12,000**. Thanks to all of you who helped make the show a success. This provides money for guild activities for a TWO-YEAR period. Thanks to all of the committee chairs, we have developed guidelines, floor plans and procedures for the RLCC venue. We would like to think we have worked out most of the kinks in our maiden voyage at a new venue. Also, after reviewing the publicity survey results (from guests at our show), we have a streamlined marketing plan that will be most effective at a reasonable cost. It has been my pleasure to chair the show and I have enjoyed working with so many new faces and sharing the beautiful work of members with the community.

Also, **the board is currently discussing and making plans for Quilt Show 2019**. I strongly suggested to the board that the Opportunity Quilt and Quilt Show should share the same theme. It makes a much smoother marketing plan. It is necessary to begin work on the Opportunity Quilt by this fall. I am happy to serve as a mentor. Consider working with a friend or a team of 3-4 to get the ball rolling. If you would consider helping in the first steps of planning, please contact *Lani Longshore*
