DISCIPLESHIP SAFARI

So that they may be one, as we are one.
John 17.11

For more than twenty years, the Presbytery of West Virginia has rejoiced in its sister Presbytery in Nyeri, the capital of the Central Highlands of Kenya, an area that would remind you of our own state, with green hills and hollers — and tea farms and coffee plantations — and without the snow.

Most of the time, our relationship is spiritual, as we pray for each other and support at a distance our shared work in the Lord. Every couple of years, however, teams travel from one country to the other. Our next opportunity will come in the late summer 2019 during the Kenyan dry season. WV Presbyterians will travel to Nyeri to:

Worship with our brothers and sisters in Christ

Build a church or school

Build relationships as guests of Kenyan families

Nyeri Presbytery is one of the 56 Presbyteries making the Presbyterian Church of East Africa, and it was inaugurated on June 23, 1963. The seat of the County Government falls within the Presbytery. It is home to two large hospitals – Nyeri County Referral Level 5 Hospital and Outspan Hospital, both of which have Medical Training Colleges. Other hospitals include Nyeri Hospice and Mt. Kenya Hospital. all of which we offer services through chaplaincy. The Presbytery is also home to big learning institutions: Dedan Kimathi University, Kagumo Teachers College, and National Technical Institute Nyeri. This is in addition to our primary and secondary schools’ student population of 10,367. It consists of 12 Parishes and Nkondi Nendeni Area (in Tharaka Nithi County) with 72 congregations and 16,409 members, of which 5,718 are children, with all of them served by 321 active elders and 149 retired ones, 12 Parochial, 2 institutional and 5 retired ministers. In addition, there are 15 evangelists and two youth coordinators in Nyamachaki and King’ong’o Parishes.
