

## Architects/Planners

**DTJ DESIGN (DTJ)**, an award-winning multi-discipline international design practice has several opportunities in our Boulder office! DTJ has a diverse portfolio of high quality projects in a variety of scales around the globe including; senior housing, multi-family housing, clubs & amenities, resorts, primary housing, and themed entertainment. DTJ provides an ideal atmosphere for designers to excel and grow within a collaborative environment. We value ideas and focus on professional and personal growth thru a collaborative design process for great projects.

We are seeking candidates for the following positions:

**Entry Level to license track intern architects:** 0 to 5 years' experience, proficient in Revit, Sketch-Up, Adobe Creative Suite, and have good hand graphics skills. We are looking for someone who is a team player bringing passion, artistry, and positive energy to our design firm. A Bachelor's or Master's Degree in Architecture is preferred. Experience in one or more of DTJ's areas of architecture focus (multifamily housing, senior living, clubs & amenities, resorts, primary housing, and themed entertainment) is ideal.

**Project Manager:** 5-20 years of experience who bring excellent project delivery skills. Ideal applicants should be able to balance design creativity with solid construction knowledge, have an organizational focus and Revit proficiency. Being able to express design thoughts through hand sketching, Sketchup and the Adobe Creative Suite is desired. Leadership qualities will be expected. Experience in DTJ's areas of focus of primary housing is required.

**Urban & Residential Planners:** We are also seeking Planners at key positions including entry level, junior and senior project managers who will bring passion, artistry and creativity to our community design planning studio. Experience to include:

- Visioning and Site-specific Planning experience including mixed-use, residential and/or resort environments
- Exceptional graphic and layout skills for packages and booklets
- Excellent hand and/or computer graphics with proven skills in AutoCAD and Adobe Suite
- Strong site planning and grading skills with an ability to understand architecture and site integration on steep terrain
- Understanding of community and site planning standards, submittal and entitlement processes
- Sketch-Up, Site Modeling and Rendering skills are a plus

Send resume' and design portfolio to: DTJ DESIGN, Inc., 3101 Iris Avenue, Suite 130, Boulder, Colorado, 80301 – or email to [dtj@dtjdesign.com](mailto:dtj@dtjdesign.com). Please keep all submissions under 9MB. No phone calls please.
