President’s Message

One of the great advantages of being a part of the PNW chapter of ISPE is getting a chance to get to know and grow our network inside and outside of a working environment. As many of you know, our Annual ISPE PNW Golf Tournament is coming up soon and I hope that I will see you there! We are still looking for golfers as well as sponsors, which offers a perfect opportunity to get your name and your company noticed!

Whether you are a member of ISPE for networking or education, you can continue to grow your network AND your knowledge throughout the year to come. ISPE provides extensive databases of educational resources and communities of practice. I look forward to getting to know everyone more and growing our region and our industry.

I look forward to seeing you all there!

Nathan Coy
Client Manager / Validation Engineer, CAI
ISPE PNW President 2017-2018
