

People and Trees, Inc.
with Park Agency of the City of Santa Ana

Tree-planting Event

Saturday, December 1, 2018
from 8:30 a.m. to 10:30 a.m.

Centennial Park, Santa Ana
3000 W Edinger Ave.

Come and Join Us as a Volunteer!

We will plant 13 African Fern trees along parking lot that is closest to lake, next to main entrance on its right. As these trees grow, they will provide shade for parked cars and for walking on adjacent sidewalk on hot sunny days.

We will give instructions how to plant trees, and then you will plant a tree with you own hands in group of two or three volunteers with our guidance.

Wear comfortable work clothing and closed-toe shoes.

Bring water to drink, hat for sun, and work gloves if you have them.

Pre-Registration is Required

To plant trees with us at this event, you need to register for it in advance, by email to PeopleAndTreesOC@gmail.com or text message to (949) 856-9926 with your name and names of your family and friends coming with you.

Funding for this project is provided
by California Department of Forestry and Fire Protection,
through California ReLeaf organization,
as part of California Climate Investments Program.
