misheberach on behalf of families experiencing abuse

May the One who blessed our ancestors Sarah, Rebecca, Rachel, and Leah, and Abraham, Isaac and Jacob, provide protection, compassion, care and healing for all those who have known violence and abuse within their families. May those who have been harmed find pathways to understanding and wholeness and those who have caused harm find their way to repentance and peace. May our community be a source of support for those who have suffered in silence or shame. May those whose homes have become places of danger find their way to a sukkat shalom, a shelter of safety and let us say Amen.
