

NATIONAL BIOENERGY DAY

FIFTH ANNUAL Bioenergy Day

WEDNESDAY OCT. 18 | 9:00 AM

Lonza—Conference Room

1101 NW 3rd Street, Cohasset, MN 55721

BIOMASS IS
THE LARGEST
SOURCE OF
RENEWABLE
ENERGY IN
MINNESOTA

Join us to learn more from local organizations as they demonstrate the many benefits that bioenergy has in our region.

AGENDA

9:00-9:30 **NRRI—Opportunities for Utilizing wood biomass**

9:30-10:30 **Lonza tour**

Learn about using wood fines as a fuel through an air aspiration fuel recovery system that utilizes a wood biomass boiler.

11:00-12:00 **Minnesota Power's Rapids Energy Center tour**

502 NW 3rd Street, Grand Rapids, MN 55744

See how local wood biomass is turned into clean renewable energy. Rapids Energy Center is a cogeneration facility that provides the Blandin Paper Mill with all its steam requirements

1:30-2:30 **Itasca Woody Biomass project**

ICC Campus Center, Backes Hall, CLCC Classroom 015

1851 East Highway 169, Grand Rapids, MN 55744

Hear how biomass plays an importation role in forest management, local jobs and community stability.

2:30

ICC Woody Biomass System Ribbon Cutting

TOUR SPACE
IS LIMITED
